MATTRESS & BEDDINGS

Experience the unmatched comfort and exceptional durability of high quality mattress, bedlinen and room accessories.

The Mattress

Our Serene Hybrid Mattress has been created to specifically meet the exacting demands of commercial accommodations like hotels, guest houses and shortlets. The Serene Mattress features a unique combination of pocket springs, and premium high density foam to provide a great sleep experience and consistent support for all sleep positions.

The pocket springs offer better motion isolation, less noise, and longer lifespan than a traditional innerspring mattress while the latex foam layers offer great pressure-relieving qualities to alleviate any aches or pains.

Specifications

- * High grade knitted fabric made with green cotton for pressure relief
- All breathable premium foam for body contouring and spinal alignment
- High density foam with cotton felt as a transition layer
- Individually wrapped pocked springs for stability and bounce
- Cotton felt with knitted fabric quilting for additional support.
- * Height is 25cm

Available in all standard sizes but custom sizes can be made on request.
